Driving with an international driving license in Japan

国際運転免許証で日本国内を運転する場合

While driving in Japan, the holder of the foreign driving license is required to hold one of the licenses as follows:

- Normal domestic driving license (Residents in Japan)
- International driving license (The one which is made based on Geneva Convention for member countries in Geneva Convention)
- Foreign driving license (Swiss, Germany, France, Taiwan, Belgium, Estonia, Morocco)

Regarding international driving license 国際運転免許証について

Driving with the international driving license

Native passport + International driving license are required.

自国のパスポート

国際運転免許証

※For holders of Japanese ID card and foreigners who finished registering as a foreign resident, both of them must meet both requirements as below while driving with the international driving license in Japan. 日本の住民基本台帳に記録されている方・外国人登録を受けた方が、国際運転免許証にて日本で車を運転する場合には、次の2項目を同時に満たしていません。

1. Having stayed overseas (Outside Japan) for over 3 months continuously, later arrived in Japan and then has lived in Japan for 1 year. (Country • District of issue is not necessary)

※ Provided that a person has stayed overseas (Outside Japan) for under 3 months (Continuous) and arrived in Japan since then, the date of arrival will not be approved officially.

2. Date of expiry for the international driving license

Member countries for Geneva Convention (1949) + international driving license issued by special administrative regions and so on.... Submission with a passport at the same time is indispensable.

The latest list of member countries for Geneva Convention (Please check the official website of Metropolitan Police Department)[最新のジュネーブ条約加盟国一覧（警視庁公式サイトへ）](#)

※However, the international driving license issued in Japan doesn't work while driving in Japan.

The international driving license expires in 1 year after being issued (Year and date of issue must be confirmed). The right for the holder of the international driving license expires in 1 year based on the date of arrival in Japan (Confirmation will be made based on the stamp for the year and date of arrival in Japan in the passport). International driving licenses based on Treaty of Paris (1926), Washington Convention (1943) and Convention on Road Traffic (1968) don't work in Japan.
